RECOMMENDED CASH ACQUISITION
of
DOWNING RENEWABLES & INFRASTRUCTURE TRUST PLC
by
POLAR NIMROD TOPCO LIMITED
(a newly formed vehicle, wholly-owned by Bagnall Energy Limited)
to be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act

PUBLICATION AND POSTING OF SCHEME DOCUMENT

On 20 June 2025, the boards of directors of Downing Renewables & Infrastructure Trust plc (“**DORE**”) and Bagnall Energy Limited (“**Bagnall**”) announced that they had reached agreement on the terms of a recommended cash acquisition, pursuant which to Polar Nimrod Topco Limited (“**Bidco**”), a wholly owned subsidiary of Bagnall, will acquire the entire issued and to be issued ordinary share capital of DORE that the Bagnall Group does not already own (the “**Acquisition**”).

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the “**Scheme**”).

Publication of the Scheme Document

DORE is pleased to announce that a shareholder circular relating to the Scheme (the “**Scheme Document**”) has been published today, setting out, among other things, a letter from the Chair of DORE, the full terms and conditions of the Scheme, an explanatory statement, an expected timetable of principal events, notices of the required Court Meeting and General Meeting (together, the “**Meetings**”) and details of the action to be taken by DORE Shareholders, which will be published on DORE's website at <https://www.dorettrust.com/announcement>.

Subject to any restrictions relating to persons resident in Restricted Jurisdictions, hard copies of the Scheme Document and the Forms of Proxy for the Meetings are being posted to DORE Shareholders today and, for information purposes only, being made available to other persons with information rights.

Capitalised terms used in this announcement (the “**Announcement**”) shall, unless otherwise defined herein, have the same meanings as set out in the Scheme Document. All references to times in this Announcement are to London, United Kingdom times unless stated otherwise.

Summary of the terms of the Acquisition

The Acquisition will be implemented by the acquisition of the Scheme Shares by Bidco pursuant to a Court-sanctioned scheme of arrangement between DORE and the Scheme Shareholders under Part 26 of the Companies Act.

Under the terms of the Acquisition, which is subject to the Conditions and further terms set out in the Scheme Document, each Scheme Shareholder at the Scheme Record Time will be entitled to receive:

for each Scheme Share: 102.6016 pence in cash (the “Offer Price”)

The Offer Price represents:

- a premium of approximately 23.62 per cent. to the Closing Price of 83.00 pence per DORE Share on 19 June 2025 (being the last Business Day before the commencement of the Offer Period);
- a premium of approximately 21.59 per cent. to the volume weighted average price of 84.38 pence per DORE Share for the one-month period ended 19 June 2025;
- a premium of approximately 25.31 per cent. to the volume weighted average price of 81.88 pence per DORE Share for the three-month period ended on 19 June 2025;
- a premium of approximately 25.91 per cent. to the volume weighted average price of 81.49 pence per DORE Share for the twelve-month period ended on 19 June 2025;
- a discount of approximately 7.46 per cent. to the unaudited net asset value of DORE as at 31 March 2025 of 112.3602 pence per DORE Share (the “**31 March 2025 NAV**”), adjusted for the Q1 DORE Dividend (as defined below) of 1.4875 pence per DORE Share, resulting in an ex-dividend NAV of 110.8727 pence per DORE Share (the “**Ex-Dividend 31 March 2025 NAV**”); and
- a discount of approximately 8.69 per cent. to the 31 March 2025 NAV.

The Offer Price values the entire issued ordinary share capital of DORE at approximately £174.55 million.

DORE paid its first quarterly interim dividend in respect of the three months ended 31 March 2025 of 1.4875 pence per DORE Share on 27 June 2025 to DORE Shareholders that were on DORE's Register on 30 May 2025 (the “**Q1 DORE Dividend**”). DORE Shareholders are entitled to retain the Q1 DORE Dividend in full without any corresponding reduction to the consideration payable by Bidco for each Scheme Share under the Acquisition.

In addition, the Bagnall Board and the DORE Board have agreed that should the Effective Date fall after 31 August 2025, DORE shall be entitled to declare a special dividend of 0.5 pence per DORE Share, such dividend to be declared and paid prior to the Effective Date (the “**Special Dividend**” and together with the Q1 DORE Dividend the “**DORE Permitted Dividends**”). DORE Shareholders shall be entitled to receive and retain any such Special Dividend (in addition to the Q1 DORE Dividend) without any corresponding reduction to the consideration payable by Bidco for each Scheme Share under the Acquisition.

The Scheme Shares will be acquired by Bidco pursuant to the Acquisition fully paid and free from all liens, equitable interests, charges, encumbrances, options, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights attaching thereto, including (without limitation) voting rights and the right to receive and retain, in full, all dividends and other distributions (if any) authorised, declared, made or paid or any other return of capital or value (whether by way of reduction of share capital or share premium account or otherwise) made or paid or any other return of capital or value (whether by way of reduction of share capital or share premium account or otherwise) in respect of the Scheme Shares by reference to a record date falling on or after the Effective Date.

Right to switch to Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel (and subject to the terms of the Cooperation Agreement), to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of DORE not already held by the Bagnall Group as an alternative to the Scheme.

Further information about the Acquisition is provided in Part II (*Explanatory Statement*) of the Scheme Document.

Background to, and reasons for, the DORE Directors' recommendation of the Offer

Background

DORE was launched in December 2020 to invest in a diversified portfolio of renewable energy and infrastructure assets in the UK, Ireland and Northern Europe to generate an attractive and sustainable level of income returns, with an element of capital growth. DORE has since assembled a high-quality portfolio comprising hydropower plants in Sweden and Iceland, operational solar PV installations across Great Britain and Northern Ireland, an electricity distribution system operator, and a shunt reactor.

Performance since IPO

Since IPO, DORE has generated a NAV total return (including dividends reinvested) of 36.2 per cent. to 31 March 2025 (inclusive of the Q1 DORE Dividend announced on 20 May 2025), equivalent to an annualised NAV total return of 7.1 per cent., and against the medium-term target of 6.5 to 7.5 per cent. per annum set out at DORE's IPO. DORE has paid fully covered quarterly dividends, in line with or ahead of its annual target, with the dividend increasing at an average rate of 19 per cent. per annum. Active asset management has been a key driver of performance, exemplified by the successful sale of Gabrielsberget wind farm in Sweden, which crystallised a total return of c.54 per cent. over DORE's investment period. DORE ranks among the top performers in the UK-listed renewable energy sector in terms of NAV total return (including dividends reinvested) over the last three years to 31 December 2024.

The DORE Shares began trading at a share price discount to NAV from the end of 2022, prompting the DORE Board to initiate share buybacks in March 2023 as part of a broader effort to narrow the discount which culminated in a significant buyback programme returning £12 million to shareholders, equivalent to approximately 7.9 per cent. of DORE's issued share capital at the time the programme commenced.

Current market backdrop

Despite these efforts and the Investment Manager's successful execution of the investment strategy, DORE has continued to experience a prolonged dislocation of its share price from its NAV per share and NAV performance. DORE's discount to NAV widened from 3.57 per cent. at the start of January 2023 to 28.69 per cent. as at 19 June 2025. During this period, UK-listed investment trusts have faced mounting challenges owing to elevated interest rates, which have disproportionately affected renewable energy and infrastructure assets. There has also been a shift in investor sentiment as investor funds are reallocated away from alternative assets towards areas offering better risk-adjusted returns. These dynamics have contributed to widening share price discounts to NAV across the sector with declining asset valuations and share prices falling even further. As at 19 June 2025, the market capitalisation weighted average share price discount to NAV in the UK-listed renewable energy infrastructure sector was approximately 27 per cent., significantly wider than the sector's market capitalisation weighted average share price premium of approximately 10 per cent. at the end of December 2020, shortly after DORE was launched.

The DORE Board believes that the negative impact of the external headwinds on the renewable energy infrastructure sector has at times disproportionately affected DORE's share price discount to NAV given DORE is one of the smallest UK-listed investment funds amongst its peers. Trading at a persistent discount has limited DORE's ability to issue new shares to achieve sufficient scale. In the secondary market, DORE's subscale position has resulted in relatively low trading volumes, with average daily volumes of 427,183 shares, or 0.25 per cent. of the DORE issued share capital (excluding any shares held in treasury) over the last 12 months to 19 June 2025, further reducing new buying interest in its shares.

Offer from Bagnall and factors considered by the DORE Board

In March 2025, DORE received an unsolicited indicative all-cash proposal from Bagnall regarding a possible offer for the entire issued, and to be issued, ordinary share capital of DORE not already owned by Bagnall. Following negotiation between the parties, the terms of the proposal were revised and improved. In assessing the Offer, the DORE Board considered DORE's prospects as a standalone subscale investment trust, feedback from major shareholders, and Bagnall's position as DORE's largest shareholder.

While shareholders generally expressed broad satisfaction with DORE's NAV performance, many noted that the persistent discount to NAV is not sustainable over the medium to long-term. The DORE Board recognises that, given Bagnall's holding of approximately 25.35 per cent. of DORE's issued share capital (excluding any shares held in treasury), the emergence of a viable alternative proposal that excludes Bagnall as the acquirer is unlikely. The DORE Board also acknowledges Bagnall's position as a long-standing and supportive shareholder, noting that its activity in the secondary market has provided liquidity and has likely supported the DORE share price throughout January and February 2025. Furthermore, the DORE Board considers Bagnall to be a suitable long-term owner of DORE's portfolio in the interest of all stakeholders. DORE has both acquired assets from Bagnall (£41.5 million of seed assets shortly after its IPO) and disposed of assets to Bagnall (the Gabrielsberget wind farm from which DORE received £28.9 million from the sale proceeds and dividends during its period of ownership), demonstrating a history of constructive engagement and a thorough understanding of the inherent value of DORE's portfolio.

As the DORE Board retains its confidence in the Investment Manager and DORE's strategy, in the absence of the Acquisition, which is at a material premium to the share price, the DORE Board would be inclined to recommend to shareholders that DORE continue in its present form. The DORE Board believes that DORE's share price discount to NAV does not fairly reflect the value of the underlying assets, the performance of the portfolio, nor the portfolio's longer-term prospects. The DORE Board continually considers any appropriate actions to improve the share rating and maximise shareholder returns. However, it also acknowledges that various risks and uncertainties, many beyond DORE's control, are likely to persist in the short to medium-term. These factors may continue to weigh on the future share rating and, by extension, shareholder returns. As a result, the DORE Board does not expect a material narrowing of DORE's share price discount to NAV in the near-term.

In reaching its conclusion, the DORE Board has considered that the Offer Price of 102.6016 pence per DORE Share represents:

- a premium of approximately 23.62 per cent. to the Closing Price of 83.00 pence per DORE Share on 19 June 2025 (being the last Business Day before the commencement of the Offer Period); and
- a discount of approximately 7.46 per cent. to the Ex-Dividend 31 March 2025 NAV. The DORE Board considers the Ex-Dividend 31 March 2025 NAV to be a more appropriate comparator to the Offer Price than the 31 March 2025 NAV which includes the Q1 DORE Dividend.

The DORE Board believes it is essential to evaluate the Offer in the context of weighing the structural challenges facing DORE as a small, relatively illiquid, listed vehicle, with the certainty of a cash exit that may not otherwise be achievable in the secondary market in the near-term.

In addition, the DORE Directors have given due consideration to the background to, and reasons for, the Acquisition of Bagnall and intentions with regard to the business of DORE including the employee employed by DORE's indirect subsidiary, as set out in the Scheme Document.

Recommendation

The DORE Directors, who have been so advised by Singer Capital Markets as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing its advice to the DORE Directors, Singer Capital Markets has taken into account the commercial assessments of the DORE Directors. Singer Capital Markets is providing independent financial advice to the DORE Directors for the purposes of Rule 3 of the Code.

The DORE Directors believe that the Acquisition (including the Scheme) is in the best interest of DORE Shareholders as a whole and unanimously recommend that the Scheme Voting Shareholders vote (or procure the vote) in favour of the Scheme at the Court Meeting and DORE Shareholders vote (or procure the vote) in favour of the Special Resolution to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), as they have irrevocably undertaken to do in respect of their own beneficial holdings of, in aggregate, 401,085 DORE Shares (representing, in aggregate, approximately 0.23 per cent. of the issued ordinary share capital (excluding any shares held in treasury) of DORE and approximately 0.31 per cent. of the Scheme Voting Shares (being those Scheme Shares eligible to vote at the Court Meeting), in each case as at the Latest Practicable Date.

Notices of the Court Meeting and General Meeting and action to be taken

As described in the Scheme Document, the Scheme will require approval by Scheme Voting Shareholders at the Court Meeting, being the meeting of Scheme Voting Shareholders convened with the permission of the Court to be held at 10.00 a.m. on 1 August 2025 at the offices of Gowling WLG (UK) LLP, 4 More London Riverside, London SE1 2AU. Implementation of the Scheme will also require approval of the Special Resolution relating to the Acquisition to be proposed at the General Meeting. The General Meeting will be held at the same place as the Court Meeting on 1 August 2025 at 10.15 a.m. (or as soon thereafter as the Court Meeting has concluded or adjourned).

Scheme Voting Shareholders and DORE Shareholders are strongly encouraged to submit proxy appointments and instructions for the Meetings as soon as possible, using any of the methods (by post or electronically online via the Investor Centre app or at <https://uk.investorcentre.mpms.mufig.com>, through CREST or (for institutional investors) via the Proximity platform) set out in the Scheme Document, and are further strongly encouraged to appoint "the Chair of the Court Meeting" or "the Chair of the General Meeting", as appropriate, as their proxy in connection with the Meetings.

Scheme Voting Shareholders and DORE Shareholders are required to submit or amend proxy voting instructions in respect of the relevant Meeting not later than 10.00 a.m. on 30 July 2025 in the case of the Court Meeting and not later than 10.15 a.m. on 30 July 2025 in the case of the General Meeting or, in the case of any adjournment, not later than 48 hours before the time fixed for the adjourned Meeting (excluding any part of such 48 hour period falling on a non-working day). In the case of the Court Meeting only, Scheme Voting Shareholders who have not submitted or amended their proxy voting instructions by this time may hand the blue Form of Proxy to the Chair of the Court Meeting (or MUFG Corporate Services on the Chair's behalf) at the start of the Court Meeting or any adjournment thereof. **However, if the white Form of Proxy for the General Meeting is not lodged by the relevant time, it will be invalid.**

It is important that, for the Court Meeting in particular, as many votes as possible are cast (whether in person or by proxy) so that the Court may be satisfied that there is a fair representation of opinion of Scheme Voting Shareholders. **Therefore, Scheme Voting Shareholders and DORE Shareholders are strongly encouraged to either sign and return your Forms of Proxy by post or transmit proxy appointments electronically online via the Investor Centre app or at <https://uk.investorcentre.mpms.mufig.com>, through CREST or (for institutional investors) via the Proximity platform as soon as possible.**

Any changes to the arrangements for the Meetings will be communicated to Scheme Voting Shareholders and DORE Shareholders before the Meetings through DORE's website <https://www.doretrust.com/announcement> and, where appropriate, by announcement through a Regulatory Information Service.

Timetable

The following indicative timetable is based on DORE's and Bidco's current expectations of the dates for the implementation of the Scheme and is subject to change. Cancellation of listing of DORE Shares

The last day of dealings in DORE Shares for normal settlement on the London Stock Exchange's main market for listed securities is expected to be the Business Day immediately prior to the Court Sanction Hearing, and the last day for registration of transfers of DORE Shares (other than the registration of the transfer of the Scheme Shares to Bidco pursuant to the Scheme) is expected to be the Business Day immediately prior to the Effective Date, following which all DORE Shares will be suspended from the closed-ended fund category of the Official List and from trading on the London Stock Exchange's main market for listed securities.

Prior to the Scheme becoming Effective, DORE will apply for the cancellation of the admission to trading of the DORE Shares on the London Stock Exchange's main market for listed securities and for the cancellation of the listing of the DORE Shares on the closed-ended fund category of the Official List. It is expected that such delisting and cancellation of admission to trading will take effect on the first Business Day after the Effective Date or shortly thereafter.

On the Effective Date, share certificates in respect of Scheme Shares shall cease to be valid documents of title (and should be destroyed or, at the request of DORE, delivered up to DORE, or to any person appointed by DORE to receive the same) and entitlements to Scheme Shares held within the CREST system shall be cancelled.

If any DORE Shares are held as treasury shares as at the time the Scheme is sanctioned, such treasury shares will be cancelled prior to the Scheme becoming Effective.

It is Bidco's intention that, as soon as practicable following de-listing, DORE will be re-registered as a private limited company.

In particular, the ability of persons who are not resident in the United Kingdom or who are subject to the laws of any jurisdiction other than the United Kingdom to participate in the Acquisition or to vote their Scheme Voting Shares or DORE Shares (as applicable) in respect of the Scheme at the Court Meeting or the Resolutions at the General Meeting, or to appoint another person as proxy to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the jurisdictions in which they are located or to which they are subject. Any failure to comply with the applicable legal or regulatory requirements of any jurisdiction may constitute a violation of the securities laws and regulations of any such jurisdiction. To the fullest extent permitted by applicable law, the companies, advisers and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Bidco or required by the Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction or any other jurisdiction where to do so would violate the laws or regulations in that jurisdiction and no person may vote in favour of the Acquisition by use of the mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction or from within any Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction.

Copies of this announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws or regulations of such jurisdiction and persons receiving such documents (including, custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into

or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws or regulations of such jurisdiction. Doing so may render invalid any related purported vote in respect of, or acceptance of, the Acquisition.

If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into, or by use of the mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.

The availability of the Acquisition to DORE Shareholders who are not resident in the United Kingdom may be affected by the laws of the jurisdiction in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable requirements.

Further details in relation to DORE Shareholders in overseas jurisdictions is contained in the Scheme Document.

The Acquisition shall be subject to, among other things, the applicable requirements of the Companies Act, the Court, the Code, the Panel, the London Stock Exchange, the FCA and the Registrar of Companies.

Additional information for US investors

The Acquisition relates to the shares of an English company and is expected to be implemented by means of a scheme of arrangement provided for under the Companies Act.. A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. The Acquisition is subject to the disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England whose shares are traded on the main market of the London Stock Exchange, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules.

The financial information with respect to DORE included in this announcement and in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) has been or will have been prepared in accordance with accounting standards applicable in the UK and may not therefore be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. Generally accepted accounting principles in the US differ in certain significant respects from accounting standards applicable in the UK.

If, in the future, Bidco exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the US, the Acquisition will be made in compliance with applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder.

The receipt of cash pursuant to the Acquisition by US DORE Shareholders as consideration for the transfer of DORE Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each DORE Shareholder (including each US DORE Shareholder) is urged to consult their own independent professional adviser immediately regarding the legal and tax consequences of the Acquisition applicable to them.

Neither the SEC nor any US state securities commission has approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition or determined if this announcement is

adequate, accurate or complete. Any representation to the contrary is a criminal offence in the US.

Each of DORE and Bidco is incorporated under the laws of England and Wales. In addition, some or all of their respective officers and directors reside outside the US, and some or all of their respective assets are or may be located in jurisdictions outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against DORE or Bidco or their respective officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment. It may not be possible to sue DORE or Bidco or their respective officers or directors in a non-US court for violations of US securities laws.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act, to the extent applicable, Bidco or its nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, DORE Shares outside the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn, in compliance with applicable law, including the US Exchange Act. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported via a Regulatory Information Service and will be available on the London Stock Exchange website at: <http://www.londonstockexchange.com>.

Further details in relation to US investors in DORE are contained in the Scheme Document.

Forward-looking statements

This announcement and the Scheme Document (including information incorporated by reference into the Scheme Document) contain certain statements which are, or may be deemed to be, "forward-looking statements". These statements are prospective in nature and are not based on historical facts, but rather on the current expectations and projections of the management of Bidco, Bagnall and/or DORE (as the case may be) about future events, and are, therefore, naturally subject to risks, uncertainties and changes in circumstances that could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

Forward-looking statements often use words such as, without limitation, "anticipate", "target", "expect", "estimate", "intend", "plan", "forecast", "project", "goal", "believe", "aim", "will", "may", "hope", "continue", "would", "could" or "should" or other words of similar meaning or the negative thereof. Forward-looking statements include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, financial conditions, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the operations of DORE or Bidco; and (iii) the effects of government regulation on the business of DORE or Bidco. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are changes in global, political, economic, business, competitive, market and regulatory forces, circumstances or conditions, future exchange and interest rates, changes in tax rates and future business combinations or disposals. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. Except as expressly provided in this announcement, neither they nor any other statements have been reviewed by the auditors of Bidco, Bagnall and/or DORE. By their nature, these forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that will or may occur in the future. The factors described in the context of such forward-looking statements in this announcement may cause the actual results, performance or

achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, none of Bidco, Bagnall and/or DORE can give any assurance that such expectations will prove to have been correct and persons reading this announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this announcement. None of Bidco, Bagnall and/or DORE or their respective members, directors, officers, employees, advisers or any person acting on behalf of one or more of them, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur.

Except as required by the FCA, the London Stock Exchange, the Part VI Rules or any other applicable law and/or regulation, none of Bidco, Bagnall and/or DORE or their respective members, directors, officers, employees, advisers or any person acting on behalf of one or more of them, has any intention or accepts any obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required. All subsequent oral or written forward-looking statements attributable to Bidco, Bagnall, DORE or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statement above.

No statement in this announcement or the Scheme Document (including information incorporated by reference into the Scheme Document) is intended as a profit forecast, profit estimate or quantified financial benefit statement for, or in respect of, Bidco, Bagnall, or DORE for any period and no statement in this announcement should be interpreted to mean that cash flow from operations, earnings, or earnings per share or income of those persons (where relevant) for the current or future financial years would necessarily match or exceed the historical published cash flow from operations, earnings, earnings per share or income of those persons (as appropriate).

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Right to switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel (and subject to the terms of the Co-operation Agreement), to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. If the Acquisition is effected by way of a Takeover Offer, and such offer becomes or is declared unconditional and sufficient acceptances are received, Bidco intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining DORE Shares in respect of which the Takeover Offer has not been accepted.
